Help us
pave the way
to a
brighter, healthier
tomorrow...

You can *make a difference* for your loved ones, your community and future generations by investing in their health. When you purchase a commemorative brick in the *Murland and Charlene Taylor Family Healing Garden*, you will be directly helping future patients in your community.

One hundred percent of funds raised through this project go directly to Labette Health Foundation whose main purpose is to provide special needs for our hospital. Life saving technology purchases, building renovations, and the awarding of scholarships for local students who pursue a medical related career are just a few ways others like you have helped. You can rest assured the purchase of each brick will make a difference in the future of health care at Labette Health.
